The Executive Committee of the Oregon Tech American Association of University Professors (OT-AAUP) stand in support of and solidarity with the 150 medical technicians and therapists, represented by the Oregon Federation of Nursing and Health Professionals, who are currently on strike as they negotiate their first contract with St. Charles Hospital in Bend, Oregon.

As healthcare workers and human beings, these workers deserve to be treated with dignity and respect, and we urge their employer to settle a fair contract now with these essential workers.

In solidarity,
OT-AAUP Executive Committee

Dr. Sean St. Clair (President)
Dr. Cristina Negoita (Vice President)
Dr. Kari Lundgren (Secretary)
Prof. Terri Torres (Treasurer)
Prof. Andria Fultz (Portland-Metro At-Large Member)
Dr. Kyle Chapman (Klamath Falls At-Large Member)
Dr. Mark Clark (Immediate Past President)
